Paint Cuba with Bob Burridge

Visit the mystical island that has been off limits to most Americans as we delve into the religious and secular life of everyday Cubans. The experience is sponsored by the Center For Caribbean Religion & Culture and Vantage Travel. The trip includes 43 religious features, 3 UNESCO world heritage sites, sightseeing tours, and at least 30 hours of painting instruction with Bob. This is a country of historical contradictions quickly changing... you will not want to miss this stage of it's development.
