

Travel Information:

Flights: If you are flying, there are three airports in our vicinity - the closest is San Luis Obispo Regional Airport (SBP) - about 10 minutes from our house. Carriers are United, Alaskan Airlines and American Airlines. United flies to and from LAX and San Francisco. Alaskan flies to and from Seattle. American flies to and from Phoenix and Dallas. Santa Maria Airport (SMX) is about 25 minutes away; Santa Barbara (SBA) - larger airport with more carrier choices - is 1-1/2 hours from Arroyo Grande.

Rental Cars: On site at the airports suggested above. You will need a rental car in our area.

Hotels: Go on Orbitz or [hotels.com](https://www.hotels.com) and look in these areas: Shell Beach, Pismo Beach, Grover Beach, Arroyo Grande or Avila Beach. We are a beach and winery destination so there are many hotels - all different price ranges. The closest hotels to the studio: Hilton Garden Inn on James Way in Pismo Beach, Holiday Inn Express on Oak Park Blvd in Grover Beach, Best Western Casa Grande on Oak Park Blvd in Pismo Beach and Hampton Inn on Branch in Arroyo Grande. Also - check out AIRBNB - there are many close by.

Weather: Our weather ranges from the mid-60s to mid-70s all year round. The summer months can be overcast in the mornings and late afternoons. Will occasionally have some hot days in the fall (September-November). Dress in layers!

Of course, if anyone is feeling unwell or have been exposed to the COVID virus, we request that they do not attend. We have been vaccinated and we request you do as well, before coming to this workshop.
