

Robert Burridge Workshop 2-Day Workshop – The Not So Still Life

Suggested Materials List - This is only a suggested materials list. Do not feel obligated to purchase everything on this list. Purchase what you think you will need and use.

1) Paints: Any professional-grade acrylic paint (no cheap, student grade paints). Holbein, Golden, Daniel Smith, Sennelier are recommended. Your choice of colors.

Burrige will be painting with Holbein Artist Acrylic paint - colors to match his Goof-Proof Color Wheel, plus black and white.

- Pyrrole Red Light
- Hansa Yellow
- Cad Green Deep
- Ultramarine Deep
- Titanium White
- Marigold
- Luminous Opera
- Lamp Black
- Compose Blue #2

2) Brushes: 1-inch wide or 1/2 inch round brushes.

3) For cleaning brushes: Murphys Oil Soap, "Original Formula." (grocery & hardware stores) You will use this AFTER the workshop.

4) Prepare the Surfaces: You may need up to 2 Full Sheets (22"x30"). I recommend Fabriano or Strathmore 140 lb or 300 lb. Cold Press. Keep flat. If you have WC paper pads - I recommend 140 lb or 300 lb - 9x12, 11x14 or 10x10 all fine. If you have full sheets, cut/tear the paper to the size you wish before the class.

5) Gesso the above paper - one side before cutting into any size you will be working on. Note: Bob uses Utrecht's Professional Gesso as his white.

6) Final Coat - to be completed AFTER your workshop. Brush-on water-based POLYMER VARNISH with UVLS for "sealing" all paintings... gloss, semi gloss or matte. Bob uses Minwax Polycrylic Water Based from hardware store. Optional.

7) Small water container - such as a low 10x10 inch Tupperware-type container. (They don't fall over)

8) Table covering - Clear 4ml plastic sheet, (Hardware Store) cut to fit your table. Tape down with strong tape. (Such as brown packing box tape - no blue or green painters' tape.)

9) Roll of VIVA towels or similar.

10) **The following materials are optional:**

- Hand Barrier cream or Nitrile gloves
- Derwent InkTense Pencils or Blocks
- Any other water soluble drawing product
- Acrylic Inks, Fluids
- Isopropyl Alcohol
